Children's Success Series Vol. I
By: Mr. Roses

In the morning with the rise of the sun. The day has started, the day has begun.

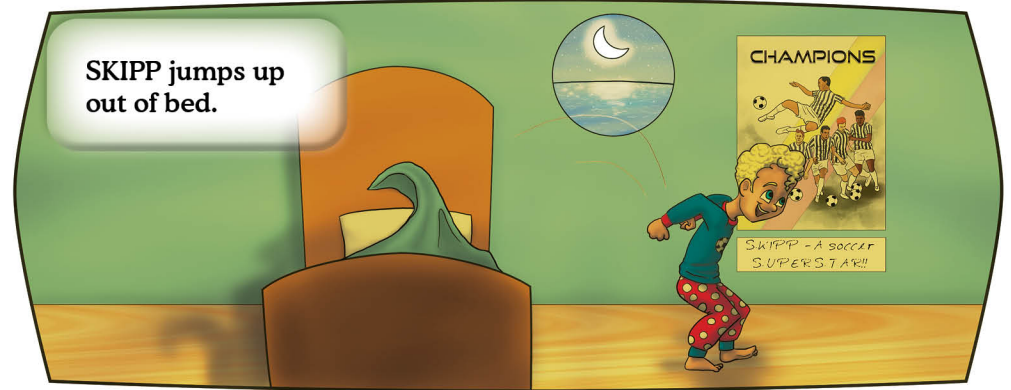

SKIPP stretches back and looks to the ceiling. He thinks of his dreams and always gets this feeling.

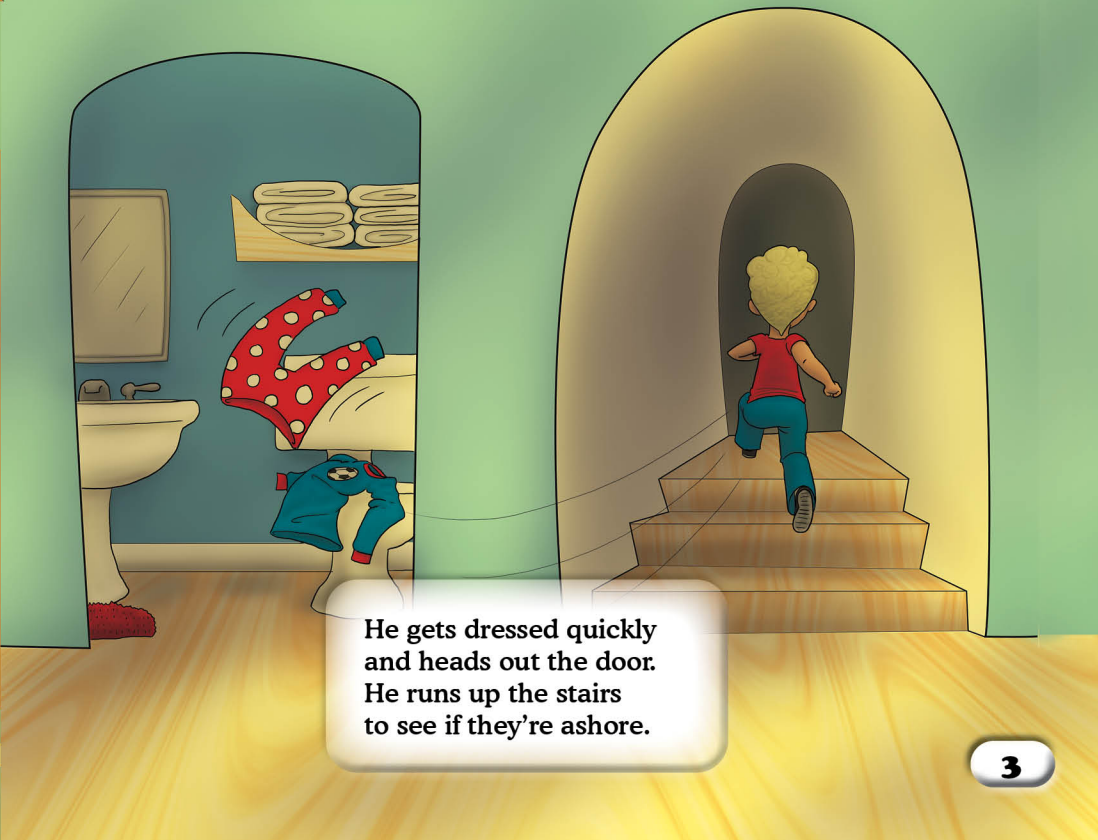

That one day it will be him, he will be the star. He will be the one to push the team far.

SKIPP jumps up out of bed.

He runs to the bathroom and scratches his head.

He gets dressed quickly and heads out the door. He runs up the stairs to see if they're ashore.

SKIPP headed out of the stands, around the back and found a wall.

As SKIPP kicked the ball off the wall, it bounced back to him and a new trick would begin.

Trick after trick, every trick he would stick!

He thought about the game and his dreams while kicking a ball.

SKIPP - One day I'll be on that field and all the people will cheer. I'll lead the team to victory and all my family will appear.

As SKIPP kicks the ball and lets his mind clear, two players from The Great Oaks randomly appear.
